**INFORMATION DISCLOSURE STATEMENT**

S I R:

This Supplemental Information Disclosure Statement is filed in response to a telephonic interview with Examiner Liang in which the Examiner requested clarification of an Information Disclosure Statement (IDS) filed October 15, 2009. Specifically, the Examiner requested that pages of a book referenced in the October 15<sup>th</sup> IDS be scanned and submitted directly to the Office together with a clarification as to the date of publication of the book.

This Supplemental Information Disclosure Statement addresses the clarifications requested by the Examiner, and is submitted pursuant to Sections 609 and 707.05(b) of the MPEP and 37 CFR 1.97-1.99. As noted in an attached form PTO-1449, Applicants submit applicable portions of a book provided to the Examiner during an in-person interview on November 13, 2008.

The filing of this Supplemental Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

As this Supplemental Information Disclosure Statement merely clarifies an originally submitted Information Disclosure Statement (i.e., the October 15<sup>th</sup> IDS), no fee is believed due with this submission. If however, the Commissioner deems that a fee is due, the Commissioner is hereby authorized to charge Deposit Account No. 503342 for any deficiencies needed for the consideration of this Supplemental Information Disclosure Statement.

Respectfully submitted,
